**HEXAGRAM 58 – Tui - The Joyous, Lake**

Above TUI THE JOYOUS, LAKE  
 Below TUI THE JOYOUS, LAKE

- This hexagram,
  - like Sun,
- is one of the eight formed by **doubling of a trigram**.  
 The trigram Tui **denotes** the youngest daughter;  
 it is **symbolized** by the smiling lake, and

its **attribute** is joyousness.

Contrary to appearances,

- it is not the yielding quality of the top line that accounts for joy here.
- The attribute of the yielding or dark principle is
  - not joy
  - but melancholy.

However,

JOY is indicated by the fact that there are two strong lines within, expressing themselves through the medium of gentleness.

True joy, therefore,

- rests on firmness and strength within,
- manifesting itself outwardly as yielding and gentle.

## THE JUDGMENT

THE JOYOUS.

Success.

Perseverance is favorable.

The joyous mood

- is infectious
- and therefore
- brings success.

But

- joy must be based on steadfastness
- if
- it is not to degenerate into uncontrolled mirth.

- Truth and strength must dwell in the heart,

while

- gentleness reveals itself in social intercourse.
- In this way

one

- assumes the right attitude toward God and man and
- achieves something.

Under certain conditions,

intimidation without gentleness may achieve something

- momentarily,
- but not for all time.

When, on the other hand,

the hearts of men are won by friendliness,

they are

- led to take all hardships upon themselves willingly,
- and if need be

- will not shun death itself,
- so great is the power of joy over men.

## THE IMAGE

Lakes resting one on the other: The image of THE JOYOUS.  
Thus the superior man joins with his friends

For

- discussion and
- practice.

• A lake evaporates upward  
and thus

- gradually dries up;

but when

two lakes are joined

- they do not dry up so readily,
- for one replenishes the other.

It is the same in the field of knowledge.

Knowledge should be a refreshing and vitalizing force.

It becomes so only through stimulating intercourse

- with congenial friends
- with whom one
  - holds discussion and
  - practices application of the truths of life.

In this way

learning

- becomes many-sided and
- takes on a cheerful lightness,

whereas

- there is always something ponderous and one-sided about
- the learning of the self-taught.
