HEXAGRAM 03 – Chun - Difficulty at the Beginning

Above K'AN THE ABYSMAL, WATER
 Below CHEN THE AROUSING, THUNDER

The name of the hexagram, Chun, really connotes a blade of grass **pushing against** an obstacle as it sprouts out of the earth hence the meaning, "difficulty at the beginning." The hexagram indicates **the way in which heaven and earth bring forth individual beings.**

It is their first meeting, which is beset with **difficulties.**

The lower trigram Chen is the Arousing;

- its motion is upward and
- its image is thunder.

The upper trigram K'an stands for the Abysmal, the dangerous.

- Its motion is downward and

- its image is rain.

The situation points to **teeming, chaotic profusion**;
thunder and rain fill the air.

But the chaos **clears up**.

- While the Abysmal sinks,
- the upward movement eventually passes beyond the danger.
- A thunderstorm brings release from tension, and
- all things breathe freely again.

THE JUDGMENT

DIFFICULTY AT THE BEGINNING works supreme success,
Furthering through perseverance.
Nothing should be undertaken.
It furthers one to appoint helpers.

Times of growth are beset with difficulties.

They resemble a first birth.

But these difficulties arise from the very **profusion** of all that is struggling to **attain** form.

Everything is in motion:

therefore if one **perseveres** there is a prospect of **great success**, in spite of the existing danger.

When it is a man's **fate** to undertake such new beginnings, everything is still **unformed**, dark.

Hence he must **hold back**, because any **premature** move might bring disaster.

Likewise, it is very important **not to remain alone**;

in order to overcome the chaos he **needs** helpers.

This is not to say, however, that he himself should look on **passively** at what is happening.

He must lend his hand and **participate** with inspiration and guidance.

THE IMAGE

Clouds and thunder: The image Of DIFFICULTY AT THE BEGINNING.

Thus the superior man

Brings order out of confusion.

Clouds and thunder are represented by definite decorative lines;

this means that in the chaos of difficulty at the beginning, **order is already implicit**.

So too the superior man has to **arrange and organize** the inchoate profusion of such times of beginning, just as one sorts out silk threads from a knotted tangle and binds them into skeins.

In order to **find** one's place in the infinity of being, one must be able both

- **to separate and**

- to unite.
