### HEXAGRAM 04 - Meng - Youthful Folly

Above KEN KEEPING STILL, MOUNTAIN

Below K'AN THE ABYSMAL, WATER

In this hexagram we are reminded of **youth and folly**, in **two** different ways.

- The **image** of the upper trigram, Ken, is the mountain, that of the lower, K'an, is water;
  - the spring rising at the foot of the mountain is the **image** of inexperienced youth.
- **Keeping still** is the attribute of the upper trigram; that of the lower is the **abyss**, danger.
  - **Stopping** in perplexity on the brink of a dangerous abyss is a symbol of the folly of youth.

However, the two trigrams also show the way of **overcoming** the follies of youth.

Water is something that of necessity flows on.

When the spring gushes forth, it does **not know** at first where it will go.

But **its steady flow** fills up the deep place blocking its progress, and success is attained.

### THE JUDGMENT

YOUTHFUL FOLLY has success.

It is not I who seek the young fool;

The young fool seeks me.

At the first oracle I inform him.

If he asks two or three times, it is importunity.

If he importunes, I give him no information.

Perseverance furthers.

In the time of youth, folly is **not** an evil.

One may succeed in spite of it, **provided** one

- finds an **experienced** teacher and
- has the right **attitude** toward him.

This means, first of all, that the youth himself

- must be **conscious** of his lack of experience and
- must **seek** out the teacher.

Without this **modesty** and this **interest** there is no guarantee that he has the necessary **receptivity**,

which should express itself in **respectful acceptance** of the teacher.

This is the reason why the teacher must **wait** to be sought out instead of offering himself.

Only thus can the **instruction** take place

- **at the right time and**
- **in the right way.**

A teacher's **answer** to the question of a pupil ought to be **clear and definite**

like that expected from an **oracle**;

thereupon it ought to be **accepted** as

- a key for resolution of **doubts** and
- a basis for **decision**.

If **mistrustful or unintelligent** questioning is kept up, it serves only to **annoy** the teacher.

He does well to **ignore it in silence**,

just as the oracle

- gives one answer **only** and
- refuses to be **tempted** by questions implying doubt.

Given in addition a **perseverance** that never slackens

until the points are mastered one by one,

real success is sure to follow.

Thus the hexagram counsels

- **the teacher as well as**
- **the pupil.**

## THE IMAGE

A spring **wells up** at the foot of the mountain: The image of YOUTH.

Thus the superior man fosters his **character**

By **thoroughness** in all that he does.

A spring

- **succeeds** in flowing on and
- **escapes** stagnation by filling up **all** the hollow places in its path.

In the same way character is developed by **thoroughness** that skips nothing but, like water,

**gradually and steadily** fills up all gaps and so flows onward.
