HEXAGRAM 25 - Wu Wang - Innocence (The Unexpected)

Above CH'IEN THE CREATIVE, HEAVEN
Below CHEN THE AROUSING, THUNDER

- Ch'ien, heaven, is above;
- Chen, movement, is below.

The lower trigram Chen is under the **influence** of the strong line
it has **received** from above, from heaven.

When, in accord with this,

- **movement follows the law of heaven,**
- **man is**
 - **innocent and**
 - **without guile.**

His mind is

- **natural and true,**
- **unshadowed by reflection or ulterior designs.**

For

- **wherever conscious purpose is to be seen,**
- **there the truth and innocence of nature have been lost.**

Nature that is not directed by the spirit is

- **not true**
- **but degenerate nature.**

Starting out with the idea of the natural,

- the train of thought in part goes somewhat further and thus
- the hexagram includes also the idea of the unintentional or unexpected.

THE JUDGMENT

INNOCENCE. Supreme success.

Perseverance furthers.

If someone is not as he should be,

- He has misfortune,

And

- it does not further him To undertake anything.

Man has received from heaven a nature innately good,

to guide him in all his movements.

By devotion to this divine spirit within himself,

he attains an unsullied innocence that leads him to do right

- with instinctive sureness and
- without any ulterior thought of reward and personal advantage.

This instinctive certainty

- brings about supreme success and
- "furthers through perseverance."

However,

- not everything instinctive is nature in this higher sense of the word,
- but only that which is right and in accord with the will of heaven.

Without this quality of rightness,

an unreflecting, instinctive way of acting brings only misfortune.

Confucius says about this:

- "He who departs from innocence,
 - what does he come to?
- Heaven's will and blessing
 - do not go with his deeds."

THE IMAGE

Under heaven thunder rolls: All things attain the natural state of innocence.

Thus the kings of old,

- rich in virtue, and
- in harmony with the time,

Fostered and nourished all beings.

In springtime

when thunder, life energy, begins to move again under the heavens,

- everything sprouts and grows, and
- all beings receive from the creative activity of nature the childlike innocence of their original state.

So it is with the good rulers of mankind:

drawing on the spiritual wealth at their command,
they

- take care of all forms of life and all forms of culture and
- do everything to further them, and at the proper time.

THE LINES

0 Nine at the beginning means:

Innocent behavior brings good fortune.

The original impulses of the heart are always good,
so that

we

- may follow them confidently,
- assured of good fortune and achievement of our aims.

Nine at the top means:

Innocent action brings misfortune.

Nothing furthers.

When, in a given situation,
the time is not ripe for further progress,
the best thing to do is to wait quietly, without ulterior designs.

If one

- acts thoughtlessly and
- tries to push ahead in opposition to fate,
success will not be achieved.

MOVING HEXAGRAM

HEXAGRAM 45 - Ts'ui - Gathering Together (Massing)

Above Tui THE JOYOUS, LAKE

Below K'UN THE RECEPTIVE, EARTH

This hexagram is related in form and meaning to Pi, HOLDING TOGETHER (8).

- In the latter, water is over the earth;
- here a lake is over the earth.

But since the lake is a place where water collects,
the idea of gathering together is even more strongly expressed here than in the other hexagram.

The same idea also arises from the fact that

- in the present case it is two strong lines (the fourth and the fifth) that
 - bring about the gathering together,

whereas

- in the former case one strong line (the fifth)
 - stands in the midst of weak lines.

THE JUDGMENT

GATHERING TOGETHER.

Success.

The king approaches his temple.

It furthers one to see the great man.

This brings success.

Perseverance furthers.

To bring great offerings creates good fortune.

It furthers one to undertake something,

The gathering together of people in large communities is

- either a natural occurrence, as in the case of the family,
- or an artificial one, as in the case of the state.

The family gathers about the father as its head.

The perpetuation of this gathering in groups is achieved through the sacrifice to the ancestors,

at which the whole clan is gathered together.

Through the collective piety of the living members of the family,

- the ancestors become so integrated in the spiritual life of the family that
- it cannot be dispersed or dissolved.

1. Where men are to be gathered together,
religious forces are needed.

2. But there must also be a human leader to serve as the center of the group.
In order to be able to bring others together,

this leader must first of all be collected within himself.

Only collective moral force can unite the world.

- Such great times of unification will leave great achievements behind them.

This is the significance of the great offerings that are made.

- In the secular sphere likewise there is need of great deeds
in the time of GATHERING TOGETHER.

THE IMAGE

Over the earth, the lake: The image Of GATHERING TOGETHER.

Thus the superior man renews his weapons In order to meet the unforeseen.

If the water in the lake gathers until it rises above the earth,

- there is danger of a break-through.

Precautions must be taken to prevent this.

Similarly

- where men gather together in great numbers, strife is likely to arise;

- where possessions are collected, robbery is likely to occur.

Thus in the time of GATHERING TOGETHER

we must arm promptly to ward off the unexpected.

Human woes usually come as a result of unexpected events against which we are not forearmed.

If we are prepared, they can be prevented.
