HEXAGRAM 44 – Kou - Coming to Meet

Above CH'IEN THE CREATIVE, HEAVEN
 Below SUN THE GENTLE, WIND

This hexagram indicates a situation in which the principle of darkness, after having been eliminated, furtively and unexpectedly obtrudes again from within and below. Of its own accord the female principle comes to meet the male.

- It is an unfavorable and dangerous situation, and
- we must understand and promptly prevent the possible consequences.

The hexagram is linked with the fifth month [June-July], because at the summer solstice the principle of darkness gradually becomes ascendant again.

THE JUDGMENT

COMING TO MEET.

The maiden is powerful.

One should not marry such a maiden.

The **rise** of the inferior element is pictured here in the image of a bold girl who

- lightly **surrenders** herself and
- thus **seizes** power.

This would not be possible if the **strong and light-giving element** had not in turn come halfway.

- The inferior thing seems so harmless and inviting that
 - a man delights in it;
- it looks so small and weak that
 - he imagines he may dally with it and come to no harm.

The inferior man rises only because the superior man

- does not regard him as dangerous and so
- lends him power.

If

- he were resisted from the first,
- he could never gain influence.

The time of COMING TO MEET is important in still **another** way.

Although as a general rule the weak should not come to meet the strong, there are times when this has great significance.

- When heaven and earth come to meet each other, all creatures prosper;
- when a prince and his official come to meet each other, the world is put in order.

It is necessary for elements predestined to be joined and mutually dependent to come to meet one another halfway.

But the coming together must be free of dishonest ulterior motives, otherwise harm will result.

THE IMAGE

Under heaven, wind: The image Of COMING TO MEET.

Thus does the prince act when

- disseminating his commands And
- proclaiming them to the four quarters of heaven.

The situation here resembles that in hexagram 20, Kuan, CONTEMPLATION (VIEW).

- In the latter the wind blows over the earth,
- here it blows under heaven;

in both cases it goes everywhere.

There the wind

- is on the **earth** and
 - **symbolizes** the ruler taking note of the conditions in his kingdom;
- here the wind

- blows from **above** and
- **symbolizes** the influence exercised by the ruler through his commands.
- Heaven is far from the things of earth, but
 - it sets them in motion by means of the wind.
- The ruler is far from his people, but
 - he sets them in motion by means of his commands and decrees.

THE LINES

Nine in the fifth place means:

A melon covered with willow leaves.

Hidden lines.

Then it drops down to one from heaven.

The melon, like the fish, is a symbol of the principle of **darkness**.

It is sweet but **spoils** easily and for this reason is **protected** with a cover of willow leaves.

This is a situation in which

a strong, superior, well-poised man

tolerates and protects the inferiors in his charge.

- He has the **firm lines** of order and beauty within himself but
- he **does not** lay stress upon them.
- He
 - **does not** bother his subordinates with outward show or tiresome admonitions but
 - **leaves** them quite free, putting his trust in the transforming power of a strong and upright personality.

And behold!

Fate is favorable.

His inferiors

- **respond** to his influence and
- **fall to** his disposition like ripe fruit.

Nine at the top means:

He comes to meet with his horns.

Humiliation.

No blame.

When a man has withdrawn from the world,
its tumult often becomes unbearable to him.

There are many people who in a noble pride

- hold themselves aloof from all that is low and
- rebuff it brusquely wherever it comes to meet them.

Such persons are **reproached** for being proud and distant,
but since active duties no longer **hold them** to the world,
this does not greatly matter.

They know how to bear the dislike of the masses with composure.

MOVING HEXAGRAM

HEXAGRAM 32 – Heng - Duration

Above CHEN THE AROUSING, THUNDER
Below SUN THE GENTLE, WIND

- The strong trigram Chen is above,
 - the weak trigram Sun below.
- This hexagram is the **inverse** of the preceding one.
- In the latter we have **influence**,
 - here we have **union** as an enduring condition.
- The two **images** are thunder and wind, which are likewise constantly paired phenomena.
- The lower trigram indicates **gentleness** within;
 - the upper, **movement** without.

In the sphere of social relationships, the hexagram **represents** the institution of marriage as the **enduring union** of the sexes.

- **During courtship**
 - the young man subordinates himself to the girl,
- **but in marriage, which is represented by the coming together of the eldest son and the eldest daughter,**
 - the husband is the directing and moving force outside,
 - while the wife, inside, is gentle and submissive.

THE JUDGMENT

DURATION. Success. No blame.
Perseverance furthers.
It furthers one to have somewhere to go.

Duration

- is a state whose movement is not worn down by hindrances.
- It is not a state of rest, for mere standstill is regression.

Duration

- is rather the self-contained and therefore self-renewing movement of an organized, firmly integrated whole,
 - taking place in accordance with immutable laws and
 - beginning anew at every ending.

The end is reached by an inward movement,
by inhalation, systole, contraction, and
this movement turns into a new beginning, in which

the movement is directed outward,
in exhalation, diastole, expansion.

Heavenly bodies exemplify duration.

They **move** in their fixed orbits, and
because of this their light-giving power **endures**.

The seasons of the year

- **follow** a fixed law of change and transformation, hence
- **can** produce effects that endure.

So likewise

the dedicated man

- embodies an enduring meaning in his way of life, and thereby
- the world is formed.

In that which gives things their duration,
we can come to understand the nature of all beings

- in heaven and
- on earth.

THE IMAGE

Thunder and wind: the image of DURATION.

Thus the superior man

- stands firm And
- does not change his direction.

- Thunder rolls, and
- the wind blows;

both

- are examples of extreme mobility and so
 - are seemingly the very opposite of duration,
- but the laws governing their appearance and subsidence,
their coming and going, endure.

In the same way

the independence of the superior man is not based on

- rigidity and
- immobility of character.

He always

- keeps abreast of the time and
- changes with it.

What endures is

- the unswerving directive,
- the inner law of his being,
which determines all his actions.
