### **HEXAGRAM 35 – Chin - Progress**

Above LI THE CLINGING, FIRE  
Below K'UN THE RECEPTIVE, EARTH

The hexagram **represents** the sun rising over the earth.  
It is therefore the **symbol** of rapid, easy progress,  
which at the same time **means**

- ever widening **expansion** and
- **clarity**.

### **THE JUDGMENT**

PROGRESS.

The powerful prince  
Is honored with horses in large numbers.

In a single day he is granted audience three times.

As an example of progress, this pictures a time when a powerful feudal lord

- rallies the other lords around the sovereign and
- pledges fealty and peace.

The sovereign

- rewards him richly and
- invites him to a closer intimacy.

A twofold idea is set forth here.

1. The actual effect of the progress emanates from a man

- who is in a dependent position and
- whom the others
  - regard as their equal and
  - are therefore willing to follow.

This leader has enough clarity of vision

- not to abuse his great influence
- but to use it rather for the benefit of his ruler.

2. His ruler in turn

- is free of all jealousy,
- showers presents on the great man, and
- invites him continually to his court.

- An enlightened ruler and
- an obedient servant –

this is the condition on which great progress depends.

## THE IMAGE

The sun rises over the earth: The image Of PROGRESS.

Thus the superior man himself

Brightens his bright virtue.

The light of the sun as it rises over the earth is by nature clear.

The higher the sun rises,

the more it emerges from the dark mists,

spreading the pristine purity of its rays over an ever widening area.

The real nature of man

- is likewise originally good,
- but it
  - becomes clouded by contact with earthly things and therefore
  - needs purification before it can shine forth in its native clarity. 1
