### **HEXAGRAM 57 – Sun - The Gentle (The Penetrating, Wind)**

Above SUN THE GENTLE, WIND, WOOD

Below SUN THE GENTLE, WIND, WOOD

Sun is one of the **eight doubled** trigrams.

It

- is the eldest daughter and
- **symbolizes** wind or wood;

it has for its **attribute** gentleness, which nonetheless penetrates

- like the wind or
- like growing wood with its roots.

**The dark principle, in itself rigid and immovable,**

is dissolved by the penetrating light principle,  
to which it subordinates itself in gentleness.

1. In nature,

- it is the wind that
  - disperses the gathered clouds,
  - leaving the sky clear and serene.

2. In human life

- it is penetrating clarity of judgment
  - that thwarts all dark hidden motives.

3. In the life of the community

- it is the powerful influence of a great personality
  - that uncovers and breaks up those intrigues which shun the light of day.

## THE JUDGMENT

### THE GENTLE.

Success through what is small.

- It furthers one to have somewhere to go.
- It furthers one to see the great man.

Penetration produces

- gradual and
- inconspicuous

effects.

It should be effected

- not by an act of violation
- but by influence that never lapses.

- Results of this kind are less striking to the eye than

- those won by surprise attack,
- but

- they
  - are more enduring and
  - more complete.

If

- one would produce such effects
- one must have a dearly defined goal,

for only when

- the penetrating influence works always in the same direction
- can the object be attained.

- Small strength can achieve its purpose only by

- subordinating itself to an eminent man
- who is capable of creating order.

## THE IMAGE

Winds following one upon the other: The image of THE GENTLY PENETRATING.  
Thus

the superior man

- Spreads his commands abroad And
- carries out his undertakings.

- The penetrating quality of the wind depends upon its ceaselessness.

- This is what makes it so powerful;
- time is its instrument.

In the same way

- the ruler's thought should penetrate the soul of the people.
  - This too requires a lasting influence brought about by
    - enlightenment and
    - command.

Only when

- the command has been assimilated by the people
- is action in accordance with it possible.
- Action without preparation of the ground only
  - frightens and
  - repels.
