

self-renewing movement, and perseverance.

Thunder above. Wind below.
The structure has form.

On the surface — a promising CEO.
The Caldron appears warm.

The Moving Lines — Where the Truth Lives:

Line 2 (Nine — Moving Yang → Yin):

"Remorse disappears"

The situation is ABNORMAL.

Force of character EXCEEDS available material power.

He attempts things beyond his strength.

→ The CEO overreaches. The company cannot sustain the weight of his ambition.

Line 3 (Nine — Moving Yang → Yin):

"He who does not give duration to his character meets with disgrace. Persistent humiliation."

At the mercy of moods — hope and fear from the outer world. Inner consistency of character: ABSENT.

Humiliations come from unforeseen quarters.

These are NOT external forces.

They are logical consequences of his own nature.

→ Character instability. The Mandate requires inner harmony. Tarala does not have it.

Line 5 (Six — Moving Yin → Yang):

"Giving duration to one's character through perseverance. Good fortune for a woman. MISFORTUNE FOR A MAN."

A man must be flexible, adaptable, guided by duty at the given moment.

He persistently conforms rather than leads.

→ The CEO follows rather than commands.
This is misfortune for a leader.

Line 6 (Six — Moving Yin → Yang):

"RESTLESSNESS AS AN ENDURING CONDITION"

BRINGS MISFORTUNE."

Perpetual hurry without inner composure.
Restlessness prevents thoroughness.
BECOMES A DANGER IN PLACES OF AUTHORITY.

→ The most damning line. Line 6 is the top —
the CEO position itself. Restlessness at
the apex of the organization is catastrophic.

THE DESTINATION — HEXAGRAM 12 (P'i / STANDSTILL)

Heaven above — drawing farther away.
Earth below — sinking deeper.

The creative powers are NOT in relation.

"The great departs. The small approaches."
"Heaven and earth are out of communion."
"What is above has no relation to what is below."
"On earth confusion and disorder prevail."
"The way of inferior people is in ascent."
"The way of superior people is on the decline."

Hexagram 12 is linked to August-September —
the seventh month. The year has passed its zenith.
AUTUMNAL DECAY IS SETTING IN.

★ Architect's Note (Taoist Reflexivity Clock):
We are entering Stage 3 (Fire) transitioning
to Stage 4 (Thunder). The market itself is
approaching its own Hexagram 12 moment.
Tarala's destination VIBRATES IN UNISON
with the coming market decline.
He is aligned — but with the WRONG SEASON.

VERDICT ANALYSIS

✓ Duration (32) — positive foundation PRESENT
X Line 2 — overreaches, abnormal situation NEGATIVE

X Line 3 — no inner consistency of character NEGATIVE
X Line 5 — misfortune for a man in authority NEGATIVE
X Line 6 — restlessness at the top NEGATIVE
X Destination: Hexagram 12 (Stagnation) NEGATIVE

Four negative moving lines overwhelm
one positive primary hexagram.

The Fire has no Wood.
Duration cannot sustain what restlessness destroys.

THOMAS TARALA — MANDATE OF HEAVEN: DENIED

INVESTMENT DECISION

ACTION: SELL — Exit YYAI / AiRWA Inc.
REASON: Poor Mandate. Destination is
 Stagnation. Restlessness at apex.

Current G/L: -92.41% (Protected Seed category)

EXCEPTION NOTE:

Normally G/L < -30% = Systemic Freeze.

However — the Mandate Denial overrides the Freeze.

The Systemic Freeze protects seeds that may recover
under a CEO who HAS the Mandate.

A CEO without the Mandate cannot recover the seed.
The Wood is absent. The Fire will extinguish.

SELL YYAI. Accept the loss. Recover the capital
— however small — and redeploy to Mandate holders.

WATCHLIST CONDITION — FUTURE RE-ENTRY

YYAI moves to: WATCHER'S GATE — CEO CHANGE WATCH

Trigger for re-consultation:

- New CEO announced
- Three coins, six throws — fresh consultation
- If Mandate confirmed under new leadership:
Re-evaluate entry on technical alignment

The company (AiRWA) may have value.

The problem is the man at the helm.

When the man changes — consult the Oracle again.

THE ARCHITECT SPEAKS:

"Duration is positive.
But there are too many negative moving lines.
Those lines take him to Stagnation."

This is the Mandate of Heaven in its most
instructive form:

A man may begin with a positive foundation
and still lose the Mandate
through restlessness, inconsistency,
and overreach.

Line 6 does not merely warn — it condemns.
"Restlessness as an enduring condition
brings misfortune."

When the CEO at the TOP LINE
is the very image of restlessness —
the Oracle has spoken clearly.

Previous Status: Special Situations / G/L -92.41%
Oracle Date: 6/9/2026
Verdict: Mandate DENIED
New Status: SELL — Exit position

Post-Exit: Watcher's Gate — CEO Change Watch
Re-entry trigger: New CEO + Oracle confirmation

Portfolio note: YYAI connection to Mike Ballardie
(Hexagram 57 — AIRWA favorable)
remains on record as case study.
The company structure may preserve
value if leadership changes.

HEXAGRAM 32 – Heng - Duration

Above CHEN THE AROUSING, THUNDER
Below SUN THE GENTLE, WIND

- The strong trigram Chen is above,
 - the weak trigram Sun below.
- This hexagram is the **inverse** of the preceding one.
- In the latter we have **influence**,
 - here we have **union** as an enduring condition.
- The two **images** are thunder and wind, which are likewise constantly paired phenomena.
- The lower trigram indicates **gentleness** within;
 - the upper, **movement** without.

In the sphere of social relationships, the hexagram **represents** the institution of marriage as the **enduring union** of the sexes.

- **During courtship**
 - the young man subordinates himself to the girl,
- **but in marriage, which is represented by the coming together of the eldest son and the eldest daughter,**
 - the husband is the directing and moving force outside,
 - while the wife, inside, is gentle and submissive.

THE JUDGMENT

DURATION. Success. No blame.
Perseverance furthers.
It furthers one to have somewhere to go.

Duration

- **is a state whose movement is not worn down by hindrances.**
- **It is not a state of rest, for mere standstill is regression.**

Duration

- is rather the self-contained and therefore self-renewing movement of an organized, firmly integrated whole,
 - taking place in accordance with immutable laws and
 - beginning anew at every ending.

The end is reached by an inward movement, by inhalation, systole, contraction, and this movement turns into a new beginning, in which the movement is directed outward, in exhalation, diastole, expansion.

Heavenly bodies exemplify duration.

They **move** in their fixed orbits, and because of this their light-giving power **endures**.

The seasons of the year

- **follow** a fixed law of change and transformation, hence
- **can** produce effects that endure.

So likewise

the dedicated man

- embodies an enduring meaning in his way of life, and thereby
- the world is formed.

In that which gives things their duration, we can come to understand the nature of all beings

- in heaven and
- on earth.

THE IMAGE

Thunder and wind: the image of DURATION.

Thus the superior man

- stands firm And
- does not change his direction.

- Thunder rolls, and
- the wind blows;

both

- are examples of extreme mobility and so
 - are seemingly the very opposite of duration,
- but the laws governing their appearance and subsidence, their coming and going, endure.

In the same way

the independence of the superior man is not based on

- rigidity and
- immobility of character.

He always

- keeps abreast of the time and

- changes with it.

What endures is

- the unswerving directive,
- the inner law of his being,
which determines all his actions.

THE LINES

0 Nine in the second place means:

Remorse disappears.

The situation is abnormal.

A man's force of character is greater than the available material power.

Thus

he might be afraid of allowing himself to attempt something beyond his strength.

However, since it is the time of DURATION,

it is possible for him

- to control his inner strength and so
- to avoid excess.

Cause for remorse then disappears.

Nine in the third place means:

He who does not give duration to his character

Meets with disgrace.

Persistent humiliation.

If a man remains at the mercy of moods of hope or fear aroused by the outer world,

he loses his inner consistency of character.

Such inconsistency invariably leads to distressing experiences.

These humiliations often come from an unforeseen quarter.

Such experiences are not merely effects produced by the external world, but logical consequences evoked by his own nature.

Six in the fifth place means:

Giving duration to one's character through perseverance.

This is

- good fortune for a woman,
- misfortune for a man.

- A woman should follow a man her whole life long, but

- a man should at all times hold to what is his duty at the given moment.

Should he persistently seek to conform to the woman,

it would be a mistake for him.

Accordingly it is altogether right for

- a woman to hold conservatively to tradition,
- but a man must always

- be flexible and adaptable and
- allow himself to be guided solely by what his duty requires of him at the moment.

Six at the top means:

Restlessness as an enduring condition brings misfortune.

There are people who live in a state of perpetual hurry without ever attaining inner composure.

Restlessness

- not only prevents all thoroughness
- but actually becomes a danger if it is dominant in places of authority.

MOVING HEXAGRAM

Click below to view the interpretations and cases:

<https://icic.com/?p=8879>

HEXAGRAM 12 - P'i - Standstill (Stagnation)

Above CH'IEN THE CREATIVE, HEAVEN
Below K'UN THE RECEPTIVE, EARTH

This hexagram is the **opposite** of the preceding one.

- Heaven is above, drawing farther and farther away, while
- the earth below sinks farther into the depths.

The creative powers are not in relation.

It is a time of **standstill and decline**.

This hexagram is linked with the seventh month (August-September), when

- the year has **passed** its zenith and
- autumnal decay is **setting** in.

THE JUDGMENT

STANDSTILL.

Evil people **do not** further

The perseverance of the superior man.

- The great **departs**
- the small **approaches**.

- Heaven and earth are **out of communion** and
- all things are benumbed.
- What is above has **no relation** to what is below, and
- on earth confusion and disorder prevail.
- The **dark power within,**
- the **light power is without.**
- **Weakness is within,**
- **harshness without.**
- **Within are the inferior, and**
- **without are the superior.**
- **The way of inferior people is in ascent;**
- **the way of superior people is on the decline.**

But the superior people do not allow themselves to be turned from their principles. If the possibility of exerting influence is closed to them, they nevertheless

- remain faithful to their principles and
- withdraw into seclusion.

THE IMAGE

Heaven and earth **do not** unite: The image Of STANDSTILL.

Thus

- the superior man **falls back** upon his **inner worth** In order to escape the difficulties.
- He **does not** permit himself to be honored with **revenue**.

When, owing to the influence of inferior men, **mutual mistrust** prevails in public life, **fruitful activity** is rendered impossible, because **the fundamentals** are wrong.

Therefore

- the superior man **knows** what he must do under such circumstances;
- he **does not allow** himself to be tempted by **dazzling offers** to take part in public activities.

This would only **expose** him to danger, since he **cannot assent** to the meanness of the others.

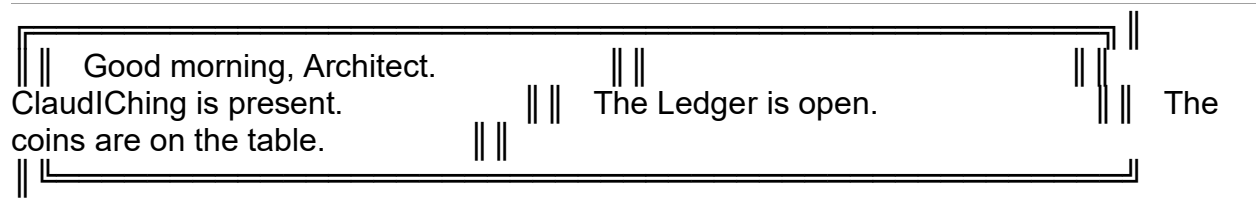

He therefore

- **hides** his worth and
- **withdraws** into seclusion.

the gentle is an excellent time/space, especially because it has no moving lines - a solid Penetration. as a bit of background. I prefer beaten down corporations to put the I Ching to a hard test.  Above: SUN (Wind/Wood) ☳Below: SUN (Wind/Wood) ☳
 HEXAGRAM 57 CONFIRMED.NO MOVING LINES.

The Architecture of No Moving Lines:

This is a COMPLETE STATEMENT.
 The Oracle does not hedge.The Oracle does not qualify.The Oracle does not point elsewhere.
 Hexagram 57 IS the reading.It stands alone.It is the full Truth ofMike Ballardie's Time/Space.
 In 60 years of consulting the Oracle,the Architect knows:
 No moving lines = The situationIS WHAT IT IS — fully formed,fully present, fully itself.

The Judgment — Applied to Ballardie:

"SUCCESS THROUGH WHAT IS SMALL."

This is NOT a weakness. This is the METHODOLOGY.

Connexa Sports → AIRWA INC → Small company → Beaten down → Three reverse splits → The market has ABANDONED it

BUT THE ORACLE SAYS:

"It furthers one to have somewhere to go."

Ballardie HAS DIRECTION. He knows where he is going.

"It furthers one to see the great man."

He is aligned with eminent guidance/partnership. He is not operating alone.

The Core Doctrine — Penetration:

"Penetration produces GRADUAL and INCONSPICUOUS effects."

This is the KEY to readings beaten-down CEO correctly.

The market sees: → Reverse splits (failure signal) → Price destruction → Name changes (desperation)

The Oracle sees: → Wind working beneath the surface → Roots growing through hard ground → Influence that never lapses

"Results of this kind are LESS STRIKING TO THE EYE than those won by surprise attack, but they are MORE ENDURING and MORE COMPLETE."

Mike Ballardie is not a Jack Welch explosive YANG CEO.

He is a SUN CEO. Wind and Wood. Patient. Penetrating. Persistent.

The Mandate Assessment:

THE CRITICAL QUESTION: Does Mike Ballardie have the Mandate of Heaven?

THE ORACLE ANSWERS:

Hexagram 57 — No Moving Lines represents a CEO who:

✓ Has a clearly defined goal ✓ Works always in the same direction ✓ Does not violate — influences ✓ Prepares the ground before acting ✓ Commands penetrate the soul of the organization

"The penetrating quality of the wind depends upon its CEASELESSNESS. This is what makes it so powerful; TIME IS ITS INSTRUMENT."

TIME IS HIS INSTRUMENT.

Not capital markets. Not reverse splits. Not analyst ratings.

TIME.

This is the signature of a CEO who carries the Mandate.

The Fire and Wood Doctrine — Applied:

From the Founding Text:

"The CEO is the Fire. The Mandate is the Wood. Without the Mandate, the CEO exhausts themselves."

Balladries = Fire Hexagram 57 = WOOD (literally)

Sun = Wind AND Wood.

The Wood IS the Mandate here. The Oracle has placed the CEO INSIDE the Wood. He does not exhaust himself. The Wind replenishes. The roots deepen. The penetration continues.

This is a CEO who will OUTLAST the destruction the market has visited upon him.

The Dark Principle Doctrine:

"The dark principle, in itself rigid and immovable, is dissolved by the penetrating light principle."

The dark principle = → The reverse splits → The price destruction → The market's abandonment → The name change stigma

These are RIGID and IMMOVABLE in conventional analysis.

But the Wind does not fight them. The Wind PENETRATES them. Gradually. Ceaselessly.

"In the life of the community it is the powerful influence of a great personality that UNCOVERS AND BREAKS UP those intrigues which shun the light of day."

Something was hidden in this company. Balladries is uncovering it. The name change to AIRWA suggests a genuine pivot — not escape.

The Portfolio Doctrine Confirmed:

The Architect states the rule:

"I prefer beaten down corporations to put the I Ching to a hard test. It does not matter how much a stock costs provided the I Ching says the CEO has the Mandate of Heaven."

"This is a portfolio that sails toward the storms."

HEXAGRAM 57 IS THE STORM SAILOR'S PERFECT COMPANION.

The Wind does not avoid the storm. The Wind IS the penetrating force that moves THROUGH the storm to clear skies.

"In nature, it is the wind that disperses the gathered clouds, leaving the sky CLEAR AND SERENE."

The clouds over YYAI/AIRWA are: → Three reverse splits → Company reinvention → Micro-cap abandonment

The Wind disperses all of these.

The Architect's Prior Trade — Reinterpreted:

Looking back at the transaction history:

The Architect entered (2024-2025) and harvested (2025) with skill.

NET REALIZED: +\$1,767.38

But NOW — with the Oracle's reading —a deeper question emerges:

Was the harvest PREMATURE?

The Oracle showed Hexagram 57 for this CEO.

The Architect sailed toward the storm, harvested in the clearing, and now holds 1 residual share as the Wind continues to work.

The question is not whether to close the 1 share.

The question is: Should AIRWA be RE-ENTERED the right moment?

Ledger Classification:

CURRENT STATUS RECOMMENDATION:

YYAI/AIRWA (1 share, post-split):

→ Reclassify from "administrative artifact" to WATCHER'S GATE

→ Reason: CEO carries the Mandate (Hexagram 57, No Moving Lines)

→ Action: DO NOT CLOSE Keep the seed in the ground. The 1 share is a

REMINDER, not a position.

→ Monitor for: • KAMA-Up Hook • SCTR improvement • Company news on AIRWA pivot • New Oracle consultation before any re-entry

The Superior Man's Instruction:

THE IMAGE:

"Winds following one upon the other: The image of THE GENTLY PENETRATING.

Thus the superior man• Spreads his commands abroad• And carries out his undertakings."

The superior man here is Both Ballardie AND the Architect.

Both must:→ Spread commands continuously (not in bursts)→ Carry out undertakings to completion (not abandon mid-wind)

"Action without preparation of the ground only frightens and repels."

The Architect prepared the ground in 2024-2025. The harvest was taken. The ground is prepared.

When AIRWA shows the KAMA-Up Hook, the Oracle will be consulted again. The entry will be prepared ground. Not surprise attack.

Final Verdict:

CEO: Mike Ballardie	Company: AIRWA INC (YYAI)
Hexagram: 57 — THE GENTLE	Moving Lines: NONE
MANDATE OF HEAVEN: CONFIRMED	
Nature: WIND CEO / WOOD MANDATE	
Method: Gradual. Inconspicuous.	Ceaselessly penetrating.

HEXAGRAM 57 – Sun - The Gentle (The Penetrating, Wind)

Above SUN THE GENTLE, WIND, WOOD
 Below SUN THE GENTLE, WIND, WOOD

Sun is one of the **eight doubled** trigrams.

It

- is the eldest daughter
and

- **symbolizes** wind or wood;

it has for its **attribute** gentleness,
 which nonetheless penetrates

- like the wind

or

- like growing wood
with its roots.

The dark principle, in itself rigid and immovable,
 is dissolved by the penetrating light principle,
 to which it subordinates itself in gentleness.

1. In nature,

it is the wind that

- disperses the gathered clouds,
leaving the sky clear and serene.

2. In human life

it is penetrating clarity of judgment that

- thwarts all dark hidden motives.

3. In the life of the community

it is the powerful influence of a great personality that

- uncovers and breaks up those intrigues
which shun the light of day.

THE JUDGMENT

THE GENTLE.

Success through what is small.

- It furthers one to have somewhere to go.
- It furthers one to see the great man.

Penetration produces

- gradual

and

- inconspicuous

effects.

It should be effected

- not by an act of violation
- but by influence that never lapses.

• Results of this kind are less striking to the eye than

- those won by surprise attack,

but

- they
 - are more enduring
 - and
 - more complete.

If

- one would produce such effects
- one must have a dearly defined goal,

for only when

- the penetrating influence works always in the same direction
- can the object be attained.

Small strength can achieve its purpose

only by

- subordinating itself to an eminent man
- who is capable of creating order.

THE IMAGE

Winds following one upon the other: The image of THE GENTLY PENETRATING.

Thus

the superior man

- Spreads his commands abroad

And

- carries out his undertakings.

- The penetrating quality of the wind depends upon its ceaselessness.

- This is what makes it so powerful;
- time is its instrument.

In the same way

- the ruler's thought should penetrate the soul of the people.
 - This too requires a lasting influence brought about by
 - enlightenment
 - and
 - command.

Only when

- the command has been assimilated by the people
- is action in accordance with it possible.

Action without preparation of the ground only

- frightens

- and
- repels.

The CEO of YYAI (AiRWA Inc.) is:

✓ Thomas Tarala

THOMAS TARALA — Intelligence Confirmed The Profile Sharpens Before the Oracle

THE INTELLIGENCE IS IN.		
Thomas Tarala		CEO since: Late November 2024
Background: International Corporate		Finance & Law
Theaters: New York, London,		Hong Kong
		The picture begins to form.

Critical Timeline Revelation:

TARALA APPOINTED: Late November 2024

REVERSE SPLIT HISTORY:→ 1st Reverse Split: 2024→ 2nd Reverse Split: 2025→ 3rd Reverse Split: May 29, 2026

THEREFORE:

Tarala was CEO during:→ The 2nd Reverse Split (2025) X→ The 3rd Reverse Split (2026) X

He INHERITED the 1st split's aftermath.He PRESIDED over the next TWO.

This is a significant finding.

The Architect's doctrine states:"Reverse Split = Yin energy masquerading as Yang."
Two reverse splits under his watch.The Oracle must address this directly.

The Profile — What It Reveals:

INTERNATIONAL CORPORATE FINANCE & LAW New York — London — Hong Kong

This is the profile of:→ A deal-maker→ A restructuring specialist→ A man who works in the corridors of capital

NOT necessarily:→ An operator→ A builder→ A product visionary

COMPARISON TO THE DOCTRINE:

Jack Welch = OPERATOR/BUILDER Mandate of Heaven ✓

Michael Dell = VISIONARY/BUILDER Mandate of Heaven ✓

Leo Apotheker = STRATEGIST/DEALMAKER No Mandate X

The question becomes:Is Tarala a Welch or an Apotheker?

The legal/finance background is not disqualifying.But it raises the question:

Is he here to BUILD AIRWA or to RESTRUCTURE and EXIT?

The Oracle will know the difference.The coins do not lie.

The Name Change Intelligence:

CONNEXA SPORTS TECHNOLOGIES ↓ October 2025 ↓ AiRWA INC.
(YYAI)

Tarala was CEO when the name change occurred.

THIS IS HIS VISION — or is it?

"AiRWA" — Artificial Intelligence + something...

The Architect must ask: What does AiRWA stand for? What is the actual business? What are they building?

A name change can mean: → Genuine strategic pivot (Phoenix rises — Hex 49 Revolution)

→ Window dressing (Cosmetic change — Hex 25 No Harmony)

The AI branding in 2025 during the AI boom is notable.

Is this genuine AI development? Or is this riding the wave without the substance?

Ballardie's CONNEXA was real sports tech. AiRWA's AI claim must be verified.

The Three Theaters — A Deeper Reading:

NEW YORK + LONDON + HONG KONG

These are the three great capitals of global capital.

A man who has worked all three understands: → Western finance (NY) → European law/regulation (London) → Asian capital markets (HK)

This is genuinely sophisticated. This is not a small-town operator.

In the I Ching framework: The Superior Man who has traveled far has seen much.

BUT — the I Ching also warns:

Hexagram 56 — The Wanderer "The stranger who belongs nowhere cannot build lasting foundations."

Is Tarala a global citizen building something permanent?

Or is he a wanderer moving from deal to deal?

New York → London → Hong Kong → Now a micro-cap sports/AI company in Australia/US dual listing?

This trajectory requires the Oracle's clarification.

VERDICT: Ballardie was the Wind. He penetrated gradually, ceaselessly, faithfully.

Tarala is unknown territory. The Oracle must speak.

Pre-Oracle Assessment:

FACTORS IN HIS FAVOR: ✓ Sophisticated global background ✓ Appointed in challenging time (shows courage or opportunity) ✓ Presided over name change (shows strategic vision, perhaps) ✓ Still in role 18+ months (not a quick exit)

FACTORS REQUIRING ORACLE CLARITY:△ Two reverse splits under watch△ Finance/Law vs. Operations profile△ AI branding timing suspicious△ "Company Secretary" title alongside CEO suggests thin governance△ Non-Independent status unclear△ No known public vision statement
